

This year, we are taking part in Formula Bharat 2019 that will be held from January 23rd – 27th. We have finished designing our car and are currently in the middle of our manufacturing phase. Our target for completing the manufacturing phase and getting the car on wheels is October 20th. Our budget for this year is INR 18,05,481 and we have managed to raise INR 9,00,000 so far with the help of the college and our sponsors. We need INR 7,24,000 more to complete our manufacturing phase on time.

For that very reason, we require to accrue this amount before the deadline of October 20th. In that context, **we would truly appreciate your generous support.** You can support us by contributing to our team with any amount (the minimum amount accepted by the payment portal is Rs.5000 including GST) by following a simple procedure, as mentioned below:

- Now select the category alumni sponsorship for clubs and societies and proceed to the next page.
- Now, select **TEAM SRIJAN** in the beneficiary section and select **MESRA** when you are asked to enter the location.
- Next, you are required to fill the rest of the details on the page.
- After making a successful payment, **you are kindly required to send a mail to DSW (densw@bitmesra.ac.in)** and mark us (teamsrijan@bitmesra.ac.in) a copy of that mail mentioning **our club's name, the amount sponsored and the payment details** to confirm your sponsorship.

NOTE: Sending the mail after payment is important, as we will not be able to use the amount without this mail

We'll be truly grateful to you for this kind support.
